#1 SINGLE ACROSS AUSTRALIA

SAY YOU WON'T LET GO

James Arthur | SME

James Arthur's *Say You Won't Let Go* is the undisputed #1 single across Australia for another week, dominating multiple platforms and securing another #1 on the Artist Top 50. His reign at the top is propelled by consecutive #1's on both the Hot 100 and iTunes charts. Spotify proves to be the outlier once again, with The Weeknd's *Starboy* ft. Daft Punk at #1 for another week.

The sentiment for the last two weeks has been that Neiked's *Sexual* is a serious contender for #1. It's now one step closer to being a reality this week following its move to #3 from #5. The art collective's breakout track now sits at #2 on the Hot 100, with its biggest supporter being the Nova Network where it is currently the most played track for the week. The track's place at #3 on the iTunes chart is not to be scoffed at either. But Spotify is proving to be the platform that is keeping it behind; it's currently at #23 on its fourth week in the Spotify chart.

Clean Bandit's new single *Rockabye* ft. Sean Paul and Anne-Marie makes a noteworthy debut at #16 on the Artist Top 50, coinciding with a successful week at commercial radio where it was the seventh most added track. Currently at #19 on the Hot 100 and #39 on the Spotify chart. *TMN* predicts this track will be a contender in the coming weeks, as confirmed by the Shazam Future Hits chart (see Trending & Predictive charts below).

#1 MOST ADDED TO RADIO

I WOULD LIKE

Zara Larsson | SME

Surprising everyone at #1 is the new Zara Larsson single *I Would Like*. Released as an instant grat track and never officially serviced to radio, it saw additions to almost every network, notably scoring a Nova Nights addition. It out-performed Adele's *Water Under The Bridge* which came in at #2 followed by Fergie's *Life Goes On*.

Charli XCX's *After The Afterparty* made serious progress two weeks after its official service with *Ash London Live* and Nova jumping on the track.

Amy Shark's first venture on commercial radio, *Adore*, has been well received. It follows her official signing to Sony Music last week. The track, which has largely been an alternative success, saw additions to Nova 106.9, the Hit Regional Network and *Ash London Live*. It also took #6 on the Most Added chart.

#1 SINGLE TO RADIO

SAFE INSIDE

James Arthur | SME

James Arthur has had a major breakthrough with *Say You Won't Let Go*. The track taken from his ARIA Top 10 album *Back From The Edge* will inevitably move on, however. That's why Arthur's next single *Safe Inside* comes at an opportune time. Receiving a service just as he arrives in the country for a performance on *The X Factor*, it has the potential to fill the gap that will be left by its predecessor.

Sigma brings drum and bass back to commercial with *Find Me* ft. Birdy. The track has already been added to BBC Radio 1, KISS & Capital in the UK while clocking up over 2.5 million streams on Spotify.

Noah Cyrus' debut single *Make Me (Cry)* is set to be a contender while Thundamentals hit commercial with their accessible cut *Think About It* ft. Peta & The Wolves, released in the midst of their current national tour.

RADIO WRAP

James Arthur remains steadfast at #1 on the Hot 100 for a fourth week straight with his ARIA #1 *Say You Won't Let Go*. It should come as no surprise given that it's the most played track on the Hit Network, and sits in the Top 3 of both the Nova and KIIS networks.

Neiked's breakout single *Sexual* further cemented its traction at radio, now at #2 from #3. It's also sitting firmly at #1 on the Nova Network's spin count.

Nick Murphy's new *Stop Me (Stop You)* is now on top of the Hot 100 Breakers chart, following a successful first week at alternative radio. Even a slight increase in spins ought to propel this into the main Hot 100 chart.

Train's *Play That Song* is the #1 Heatseeker following its move to #67 from #95. TLC's *Haters* follows at #2 after its jump from #52 on the Hot 100, correlating with the success their current Australian tour is experiencing.

San Cisco's *Slomo* is now the most played track on triple j for a second week in a row. Meanwhile blink-182's latest release *She's Out Of Her Mind* has shot up to #2 on the Triple M spin count.

NEW SINGLE SPOTLIGHT

OUT OF MY HEAD

The Griswolds | Chugg Music / MGM

The explosive lead single from *High Times For Low Lives* is a clear statement of intent for the Sydney four-piece. Produced with Grammy Award-winning producer Andrew Dawson (Kanye West, Fun., Sleigh Bells) its clarion call vocals and instrumentation are draped in swathes of funk, electro and hip-hop stylings, making it the first radio-ready ear-worm set to drive fans bonkers over summer.

Selected for their recent NBC *Today Show* appearance, the single shows why The Griswolds have become a sensation in the US where it's currently climbing Alt-Nation's Alt18 Chart. *Out Of My Head* has also been praised by Aussie reviewers including *Acid Stag*, *the AU Review* and *Rolling Stone* who just awarded the new album 4 Stars.

ONES TO WATCH

On the first page of this report, TMN forecasted that Clean Bandit's *Rockabye* ft. Sean Paul & Anne-Marie would be a serious contender on the Artist Top 50. The Shazam Future Hits chart is reflective of this, with *Rockabye* topping the chart ahead of Peking Duk's *Stranger* and Jonas Blue's *By Your Side*. Clean Bandit broke out in 2014 with *Rather Be* ft. Jess Glynne, the 9th Most Heard on commercial radio that year.

Rae Sremmurd's *Black Beatles* is setting new peaks for the duo in Australia. Their biggest local crossover success yet, it's just debuted at #48 on the TMN Artist Top 50, #60 on the Hot 100, and holds #40 on Spotify. What's more, just last week it gave the group their first ever #1 on the *Billboard* 100.

The international LyricFind chart proves to be reflective of the current sentiments of the US. At #1 and #2 are Leonard Cohen's *Hallelujah* and *Suzanne* respectively - a direct reaction to the death of the iconic singer-songwriter. Further down the list is David Bowie's *This Is Not America*, R.E.M.'s *It's The End Of The World As We Know It (And I Feel Fine)*, and another Bowie cut in the form of *I'm Afraid Of Americans*, which no doubt is a reaction to the recent US presidential election.

PNAU's new banger *Chameleon* dominates the Spotify Viral chart at #1, even outperforming Nick Murphy's *Stop Me (Stop You)* which sits at #3. Rae Sremmurd's *Black Beatles* sits at #6, further proof that the track is trending across Australia.

NEW SINGLE SPOTLIGHT

COCOON

Milky Chance | NEON/UMA

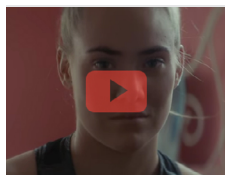

We all remember *Stolen Dance*...
Introducing the German alt-rock duo's new single *Cocoon*...

Milky Chance returned spectacularly with new track *Cocoon* on November 11, which arguably doubles as their most infectious yet.

Following up from 2014's ARIA #8 LP *Sadnecessary*, Clemens Rehbein and Philipp Dausch have captivated fans combining reggae, house, flamenco, pop, folk and singer-songwriter elements. As its name and sound implies, *Cocoon* brings forth a palpable sense of returning to a place of serenity, or in Rehbein's own words; "trying to find a place where you can be yourself and not be distracted; to slow down and reflect on yourself."

A deep, organic warmth in the instrumental arrangements combined with Rehbein's raw, raspy voice see the duo remain true to themselves and their origins whilst still delivering an accessible sound, primed for commercial radio.

TV SYNCS OF THE WEEK

McDonald's - McDonald's Careers

Level Two Music (Agency)

Copyright Control (Publisher)

Sofi Tukker's single *Drinkee* will provide the sonic backdrop for McDonald's 12-month marketing campaign to redefine the global brand. Maccas are leaving behind their fast food reputation with the help of the inspiring sounds of the New York house duo, in favour of a sleek cover that associates the brand with success and career opportunities.

The partnership was sealed through Level Two Music and Copyright Control. With the campaign set to run through to late next year, Sofi Tukker will surely benefit from increased exposure.

MUDDY WATERS

Mannish Boy

XXXX Gold - Take In The Gold

Host (Agency)

Campbell Connelly Australia (Publisher)

Lion's biggest beer brand, XXXX Gold has launched a brand new advertising campaign called 'Take in the Gold' which aims to inspire Australians to get the most out of the simple things in life... all the while enjoying a XXXX Gold. The campaign visuals are brilliantly synced to Muddy Waters' iconic blues track *Mannish Boy* with its massive hook and key lyric paying homage to manhood. Music Sales represents the stellar catalogue of Muddy Waters and his Chess label mates Bo Diddley, Chuck Berry, Little Walter and many other R&B greats.

'Take in the Gold' kicked off on November 6 and will run for 18 months across national TV, online, and out-of-home channels.

HAMILTON LEITH HAUSER + ROSTAM

In A Black Out

Apple - iPhone 7

TBWA/Media Arts Lab, Los Angeles (Agency)

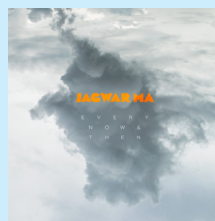

ASCAP

Apple has teamed up with new duo Hamilton Leithauser + Rostam, employing their track *In A Blackout* to accompany the expectedly aggressive advertising campaign for Apple's new flagship smartphone device, iPhone 7.

Secured by LA advertising agency TBWA/Media Arts Lab, the song lends appropriately to Apple's 'Midnight' commercial, showcasing the iPhone 7's impressive low light camera capacity.

This is undoubtedly the American duo's highest profile sync to date, not counting Rostam's previous sync deals with former band Vampire Weekend that saw their 2008 single *A-Punk* appear in comedy film *Step Brothers* and TV series *The Inbetweeners*.

SYNC ALERT

SLIPPING

Jagwar Ma

Sony/ATV Music Publishing
Australia

Sydney-raised, London-based three-piece Jagwar Ma recently returned with their highly anticipated second album *Every Now & Then*, which has earned critical praise and has seen the band continue to conquer festival stages around the world.

With its cinematic textures and inspired chorus, album gem *Slipping* is a slice of indie-dance goodness not to be missed.

NEW SINGLE SPOTLIGHT

MAKE ME (CRY)

Noah Cyrus ft. Labrinth | SME

Coming from a strong family of performers - sister to Miley and Trace (of Metro Station), daughter to Billy Ray - Noah Cyrus' natural talent shines through on debut single *Make Me (Cry)*. Co-written, featuring and produced by UK artist Labrinth, who's single *Jealous* is certified Platinum in Australia, the beguiling *Make Me (Cry)* defies all expectations. At just 16-years-old, the singer, songwriter and performer already has a recording contract with Barry Weiss' label RECORDS and has clocked up over 2.3M followers on Instagram.

OVERVIEW

Peking Duk's domination of the Hot 100 Australian and Alternative charts now rivals that of Sia's dominance on the AIR charts. *Stranger ft. Elliphant* holds the Australian chart for a second week in a row and returns to the top of the Alternative chart, where it debuted three weeks ago.

San Cisco's *SloMo* makes gains up the alternative chart at #2 up from #3 on the Alternative chart, coinciding with its #3 placing on the triple j Hit List and #1 on the triple j Spins chart.

Holding the top of triple j Hit List is Nicole Millar's *Signals*, which is currently #3 on the Spins chart and #5 on the Hot 100 Alternative chart. It leads ahead of Sticky Fingers' *Sad Songs*, which is now back at #2 from #3.

WAAX's *Same Same* tops Metro community radio on the Amrap chart, while Brian Cadd's *Long Time Till The First Time* establishes itself as the dominant force in Regional community radio.

Sia's *The Greatest* ft. Kendrick Lamar holds the AIR Singles chart; although Nick Murphy's *Stop Me (Stop You)* debuts at #2, making for the first real competition in months. Elsewhere, the AIR Radio Play chart remains largely stagnant with *The Greatest* again holding onto #1.
