#1 SINGLE ACROSS AUSTRALIA

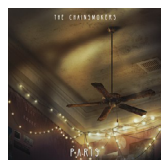

CASTLE ON THE HILL

Ed Sheeran | WMA

Ed Sheeran has managed to mirror the success he saw on the Most Added chart in the Artist Top 50 this week. Taking both #1 and #2 are his new tracks *Castle On The Hill* and *Shape Of You*. This puts Sheeran in a surprisingly strong position for success in the Mid Year and Year End charts if these tracks are to show the usual chart longevity that Ed Sheeran's hits so often get.

Support for *Castle On The Hill* has been uniform across all contributing charts, with Sheeran holding #1 and #2 on Spotify and iTunes. The Hot 100 sees *Shape Of You* fall short at #3 however, losing out to ZAYN & Taylor Swift's *I Don't Wanna Live For Ever* at #2.

Only one debut makes it into the Top 20 this week, Sage The Gemini's *Now And Later*.

#1 MOST ADDED TO RADIO

PARIS

The Chainsmokers | SME

The Chainsmokers add another #1 Most Added to their collection this week as new single *Paris* dominates last week's radio additions. Ticking off almost every heavyweight station, the track saw across the board additions from the Nova Network, Hit Regional Network, *Ash London Live* and both KIIS stations.

Julia Michaels enjoys a successful first week at radio with her debut single *Issues*. This should come as no surprise, considering the veteran songwriter has penned recent hits including Justin Bieber's *Sorry* and Hailee Steinfeld's *Love Myself*.

Little Mix's latest hit *Touch* performed well with commercial Hit stations, as well as gaining support from Hit Regional Network. Meanwhile, Jax Jones cracks #4 with *You Don't Know Me* ft. Raye following additions to Ash London Live and the Nova Network's nights playlist.

MOST ADDED

Additions weighted with audience data

1	PARIS The Chainsmokers SME
2	ISSUES Julia Michaels UMA
3	TOUCH Little Mix SME
4	YOU DON'T KNOW ME Jax Jones ETC/UMA
5	NOT AFRAID ANYMORE Halsey UMA

#1 SINGLE TO RADIO

MISS YOU

Young Franco | Of Leisure

Young Franco has released what is shaping up to be his biggest hit to date. *Miss You* follows the mammoth success of by *Drop Your Love* ft. Dirty Radio, the track that threw him into the peripheral vision of genre heavyweights RUFUS, Flight Facilities and Hayden James.

More dance tracks hit commercial radio in the form of Martin Jensen's *Solo Dance* and Dastic's *Let Me Love You* ft. CADE. Snakehips' *Don't Leave* ft. MØ receives its official service, though the majority of radio has already jumped on the track, so much so that it was last week's fifth Most Added track to radio.

Go to www.themusicnetwork.com/charts to view all this week's Singles To Radio and Most Added singles. See every addition on every station in [Radioactive](#).

RADIO WRAP

Ed Sheeran's *Castle On The Hill* sits firmly at #1 on the TMN Hot 100 on its second week in the chart. Debuting at #17 last week, it's his first #1 since *Thinking Out Loud* which peaked in late 2014. It is tailed by ZAYN & Taylor Swift's *I Don't Wanna Live Forever*. The track moves to #2 from #3 followed by Ed Sheeran's other new hit, *Shape Of You*, now at #3 from #16. The only other noteworthy change in the Top 10 is the breakthrough of PNAU's *Chameleon*, entering at #9 from #20 on its third week in the Hot 100.

Sia is this week's #1 Hot 100 Heatseeker as her track *Move Your Body* cracks #23 from #67 on the Hot 100, a total of 44 places. Floating just outside of the Hot 100 is Slumberjack's mammoth new single *Fracture* ft. Vera Blue. At #1 on the Breakers chart, it's looking very likely that the track will debut next week, considering it's also #1 on triple j's Spins Chart.

John Legend moves to #1 on KIIS' Spins Chart with *Love Me Now*, while Nova put all their weight behind ZAYN & Taylor Swift's *I Don't Wanna Live Forever*. The Weeknd tops the Hit Spins chart yet again, only this time, it's with *I Feel It Coming* and not *Starboy*. Bernard Fanning's streak at #1 on Triple M's Spins chart comes to a close as Green Day take over with *Still Breathing*.

“ ONES TO WATCH

YouTube sensation Filthy Frank or “Pink Guy” lights up the Spotify Viral chart this week with tracks from his new album *Pink Season*. Pink Guy manages to claim six places on the chart, including #1, ceding #2 and #3 to Ed Sheeran's *Shape Of You* and *Castle On The Hill*, respectively.

Shape Of You manages to top the Shazam Future hits chart however, followed by *Castle On The Hill* at #2. It should be noted that *Shape Of You* is also currently #1 on the Australian Shazam chart.

The Chainsmokers' new hit *Paris* tops the Shazam Movers chart, coinciding with the mammoth first week the track had at Australian radio, where it was Most Added. Sia's *Move Your Body* takes #2 while PNAU's *Chameleon* still puts up a fight at #3, months after its release.

America is still reeling from the death of George Michael if the LyricFind U.S. chart is anything to go by. He sees chart placing at #1, #3, #5, #9 and #10, leading with *One More Try*. The only track providing major competition is Ryan Gosling & Emma Stone's *City Of Stars* which is at #2, taken from the *La La Land* soundtrack.

NEW SINGLE SPOTLIGHT

MISS YOU

Young Franco | NEON/UMA

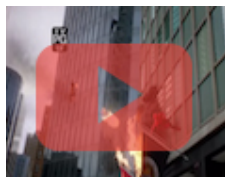

Hot on the tongues of the global electronic music scene and charming his way to your hearts is Brisbane based producer Young Franco.

His most recent release, *Drop Your Love* ft. Dirty Radio has hit over 5 million collective streams, was uploaded to Selected, Majestic Casual and The Sound You Need YouTube channels and been supported by the likes of Bondax, Hayden James, RÜFÜS, Motez, Alison Wonderland, Rudimental, Nvov, Snakehips, SG Lewis, Flight Facilities and many more. The success of the track was backed by a 17 date National Tour including two sold out headline shows in Sydney and Brisbane.

Following on from its success, Franco set off on a European Tour prior to couch hopping throughout the UK and France working with a range of electronic producers. The result is a traveler's beard and his beloved first commercially driven single *Miss You*.

An energetic concoction of house, disco and pop, *Miss You* is an example of the continual progression of Young Franco's songwriting. Blending the hooky vocal work effortlessly with his intricate yet tasteful production, Franco has delivered his most polished work to date.

TV SYNCS OF THE WEEK

HARTS

Power

NBC - Powerless

Powerless Network

Open Road Entertainment / NBCUniversal
(Music Supervisor)

Embassy Music Publishing / Music Sales
(Publisher)

Melbourne guitar-shredding multi-instrumentalist, producer and composer Harts' fiery single *Power* has aptly landed a network promo spot for the upcoming NBC comedy *Powerless*, set in the D.C. Comics universe and starring Venessa Hudgens, Danny Pudi and Alan Tudyk.

The track was pitched by Music Sales Creative's LA team and the promo will run across free-to-air and pay TV in the US, and online around the world.

SARAH BLASKO

Flame Trees

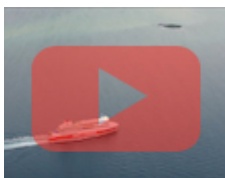

'Holiday Memories' -
Department of Transport & Main Roads QLD

Mana Music (Music Supervisor)

Sony/ATV (Publisher)

Featuring Sarah Blasko's affecting rendition of Cold Chisel's iconic *Flame Trees*, the Department of Transport & Main Roads QLD campaign urges Queenslanders to think about road safety over the holiday period.

The track was pitched to music supervisor Mana Music for the campaign. The spot follows the first video in the campaign which features a re-record of the Sony/ATV classic *Have Yourself A Merry Little Christmas* penned by composers High Martin and Ralph Blane in the 40s.

TUKA

Nirvana

'The Spirited Traveler' - Spirit of Tasmania

Synch House (Music Supervisor)

Sony/ATV (Music Publisher)

Taken from Thundamentals member Tuka's debut album *Life Death Time Eternal*, the cinematic and lush arrangements of single *Nirvana* have proven the perfect accompaniment to Spirit of Tasmania's 2017 campaign *The Spirited Traveler*.

Co-written with 2016 APRA Breakthrough Songwriter of the Year, Alex Hope (Troye Sivan, Broods), the song was pitched to music supervisor Synch House by Sony/ATV especially for the spot.

SYNC ALERT

HELP

STRAALEN

IND

Help boasts current production with intricate acoustic guitar, industrial steel drums, subtle string section and powerful vocal delivery from 19-year-old Straalen. The song is about asking for help in dealing with issues such as lost love, depression and negativity. The track builds into an epic repeated chorus, very rhythmic and haunting, making it ideal for synch usage and enhancing moods relating to heartbreak, running away, needing help, anxiety and anticipation.

Co-written with The Presets' Julian Hamilton, *Back In The Room* is a pop gem perfect for Summer

OVERVIEW

It's now week eight for Peking Duk's *Stranger* at #1 on the Hot 100 Australian chart, still leading ahead of PNAU's *Chameleon* and Starley's *Call On Me*. A new competitor in the form of Sia's *Move Your Body* makes itself known however, now at #4 up from its debut point of #13.

Sia returns to the top of the AIR Singles chart this week, although this time with a new debut. *Move Your Body* has entered at #1, ahead of her former #1 track, *The Greatest*, back at #2 from #3. Meanwhile, the radio play chart remains almost entirely stagnant, with the only movement occurring at #9 as Flume's *Never Be Like You* swaps places with Sheppard's *Geronimo*, the latter coming in at #10.

Triple j is getting right behind the new The xx album and has single *Say Something Loving* at the top of its Hit List. Independent Melbourne rock band My Echo shoot to the top of triple j's Unearthed chart with latest single *Meet You There*.
