19	<b>BAD THINGS</b> MGK & Camila Cabello   UMA
20	<b>SHED A LIGHT</b> Robin Schulz   WMA

## #1 SINGLE ACROSS AUSTRALIA

### SHAPE OF YOU

Ed Sheeran | WMA

Ed Sheeran's *Shape Of You* still holds #1 on the Artist Top 50 after overtaking his other hit *Castle On The Hill* last week. With Sheeran keeping the Top 2, the first new movers make themselves known further down the Top 10.

Taking #3 from #4 and earning a new peak is Andy Grammer's *Fresh Eyes*. It leads ahead of Peking Duk's *Stranger*, now at #4 from #22, also a new peak, which in turn beats out The Chainsmokers' *Paris*, now at #5 from #20. Sage The Gemini's *Now And Later* is the last of this trend in the Top 10, now at #6 from #16 on its third week in the chart.

Snakehips' *Don't Leave* cracks the Top 20 at #13 from #42, as does Little Mix's *Touch* at #14 from #27, and Julia Michaels' *Issues* at #16 from #29, its debut point. The last track to enter the top bracket is Machine Gun Kelly & Camila Cabello's *Bad Things* at #19 from #21.

## #1 MOST ADDED TO RADIO

### THAT'S WHAT I LIKE

Bruno Mars ATL/WMA

It was a hotly contested week at radio, with very similar additions occurring across the country. Ultimately, Bruno Mars' *That's What I Like* pulled out ahead with 72 additions. It scored adds to *Ash London Live*, ACE Radio Network, Hit Regional Network, Hit commercial stations and was added across the board to the Nova Network. The latter proved to be the final push it needed to take this week's crown.

LANY's *ILYSB* proved to be a favorite at #2, with similar additions on *Ash London Live* and the Hit Regional Network. Ariana Grande's *Everyday* ft. Future differed slightly in that it received more attention from the commercial Hit stations than the Regional Network.

## MOST ADDED

Additions weighted with audience data

1	<b>THAT'S WHAT I LIKE</b> Bruno Mars   ATL/WMA
2	<b>ILYSB</b> LANY   UMA
3	<b>EVERYDAY</b> Ariana Grande   UMA
4	<b>SO GOOD</b> Zara Larsson   SME
5	<b>SCARED TO BE LONELY</b> Martin Garrix   SME

## #1 SINGLE TO RADIO

### POP DAT BUCKLE

Justice Crew | SME

Justice Crew make their comeback with new hit *Pop Dat Buckle*, their first release since 2015's *Good Time*. The new track sees Crew's first endeavour as a refined four piece. Justice Crew still hold the record for most weeks at #1 on the ARIA Singles chart for an Australian artist with *Que Sera*, which also topped the Hot 100 in 2014.

Swedish producer and certified hit factory, Alesso, drops *Falling*, the latest in a history of bangers and a potential match for his triple platinum single *Heroes (We Could Be)*. KUNGS hits radio with *I Feel So Bad* while Thundamentals have their new Keep Sydney Open premiered hit *Wolves* tackling alternative radio. The anthem ought to resonate with many and lends itself to some serious commercial crossover potential.

Go to [www.themusicnetwork.com/charts](http://www.themusicnetwork.com/charts) to view all this week's Singles To Radio and Most Added singles. See every addition on every station in [Radioactive](#).

2	<b>COCOON</b> Milky Chance   UMA
3	<b>CASTLE ON THE HILL</b> Ed Sheeran   WMA
4	<b>DO YOU STILL LOVE ME?</b> Ryan Adams   EMI
5	<b>STILL BREATHING</b> Green Day   WMA

## RADIO WRAP

It's week three for Ed Sheeran's *Castle On The Hill* at #1 and week two for *Shape Of You* at #2. Though Sheeran is not likely to budge anytime soon, a new competitor makes itself known in the Top 3, The Chainsmokers' *Paris*. Taking #3 from #10, it's outdone previous Top 10 hit *All We Know* which peaked at #10. The track still has some work to do however if it's to match *Closer* ft. Halsey's five weeks at #1. Andy Grammer manages to score a new peak for *Fresh Eyes* at #4 from #5, as does Alessia Cara's *Scars To Your Beautiful* at #6 from #9.

An older track and former Top 10 single is this week's Hot 100 Heatseeker. Sia's *Cheap Thrills* manages to outperform all new singles and moves up to #79 from #97, a rise of 18 places.

The new single from Spoon, *Hot Thoughts*, is the #1 Hot 100 Breaker this week. It leads ahead of King Gizzard & The Lizard Wizard's recent *Nuclear Fusion*, the second of three singles taken from their forthcoming ninth studio album *Flying Microtonal Banana*.

Plenty of changes take place on the Spins Charts this week. Sydney's Middle Kids wrangle the top of the triple j Spins Chart with *Never Start*, while Green Buzzard make an appearance at #5 with new single *Do You Ever Glow?* After two weeks out of the Top 5, Bernard Fanning's *Reckless* returns at #1 on the Triple M Spin Chart. Ed Sheeran scores two new #1's with *Castle On The Hill*, taking out Nova and Hit. John Legend makes for the last big change, returning to the top of the KIIS Spins Chart with *Love Me Now*.

### NEW SINGLE SPOTLIGHT

**FALLING**  
Alesso | EMI

Alesso has unveiled his brand new single *Falling*, available now via EMI Music Australia. The track, co-written by Alesso, is his first single since 2016's *Take My Breath Away*. *Falling* sees Alesso progress his sound in an intimate and soulful direction, with references to the many early house classics that inspired him.

10		<b>FOVEVER IN YOUR MIND</b>

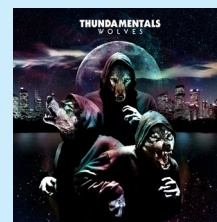

## ONES TO WATCH

Pink Guy relinquishes the top of Spotify Viral chart this week as Julia Michaels' *Issues* takes his position from #2. SPOD's anthem *Boys Night* inches closer to the top at #3 from #4, replacing Pink Guy's former #1, *STFU*.

Ed Sheeran's *Shape Of You* holds fast atop the Shazam Future Hits chart, though Julia Michaels earns another solid week of movement, now at #2 from #4 with *Issues*.

She loses her #1 on the Shazam Movers chart however, with Amy Shark's *Adore* taking out the title following post Hottest 100 hype. Similarly, Flume's *Never Be Like You* ft. Kai and Tash Sultana's *Jungle* saw movement at #2 and #3, respectively. Similarly, DMA's Like A Version of Cher's *Believe* makes an entry at #8.

French singer-songwriter Jain holds fast on the Pandora Predictions chart while Yung Lean still wrestles back and forth in the Top 5, back at #3 from #4. Vulfpeck re-enters the chart at #8 from #12 after a brief stint outside the Top 10.

## NEW SINGLE SPOTLIGHT

### WOLVES

Thundamentals | UMA

From humble beginnings in the Blue Mountains, Thundamentals have become one of Australia's most celebrated hip-hop acts, touring with giants of the genre including A Tribe Called Quest, MF Doom and Big Boi of Outkast. Their last album *So We Can Remember* was nominated for a J Award, the Australian Music Prize and an ARIA award – having reached #3 on the ARIA album chart.

*Wolves* was premiered by Keep Sydney Open. The two are a perfect match given the tracks subject matter. "Wolves is both a celebration of anyone chasing their dreams and a critique of Sydney's lockout laws..."

4	<b>LIVE IT UP</b> Chase The Sun   IND
5	<b>ANOTHER TRIP TO BUNNINGS</b> The Bushwackers   IND

## NEW SINGLE SPOTLIGHT

### I DON'T WANT TO WAIT

Hayley Teal & Alius | HUS/UMA

Hayley Teal burst onto the national stage competing on *The X Factor* in 2010. With Natalie Imbruglia as her mentor, Hayley placed sixth on the show and went on to release her own music independently. Now Hayley has teamed up with Melbourne producer ALIUS for a tropical house remake of the classic Dawson's Creek theme song, *I Don't Want To Wait*.

The track jumped straight into the iTunes chart on release and also features on Ministry of Sound's Summer Anthems 2017 which reached number one on the iTunes Dance chart. With the track getting picked up by Spotify playlists both in Australia and Europe, *I Don't Want To Wait* could be Hayley's big breakthrough at commercial radio.

## OVERVIEW

After nine weeks uninterrupted, Peking Duk's mammoth comeback single *Stranger* ft. Elliphant finally cedes #1. Taking the top spot from them is Starley's international success story *Call On Me*. The track, which has only recently hit the higher end of Australian charts, has already seen its fair share of success overseas, including a #1 in Sweden, #4 in Ireland and a #4 in Denmark.

Local sweethearts Middle Kids crack the top of the Alternative Chart with *Never Start*, up from #8 and overtaking Slumberjack's *Fracture* ft. Vera Blue at #2 from #3. Debuting at #4 is *Nuclear Fusion*, by Australia's most prolific band, King Gizzard & The Lizard Wizard. They enter ahead of a debut at #7 from Oberan space-pop up-starts Green Buzzard and their new track *Do You Ever Glow?*

More success thanks to crossover from triple j's Hottest 100 is seen on the AIR charts this week. Sia holds #1 with *Move Your Body* but Flume's *Never Be Like You* ft. Kai returns to #2 from #5, as does Tash Sultana's *Jungle* at #3 from #6. On the Radio Play Chart, Amy Shark's *Adore* takes #1 from #2. Meanwhile, Flume sees his two Hottest 100 Top 10 entries solidify their position on the Radio Play chart as well. *Say It* takes #8 from #10 while *Never Be Like You* ft. Kai returns to the Top 10 at #9 from #11.
