#1 SINGLE ACROSS AUSTRALIA

SHAPE OF YOU

Ed Sheeran | WMA

Ed Sheeran's hold at #1 with *Shape Of You* and #2 with *Castle On The Hill* continues for another week on the Artist Top 50. ZAYN & Taylor Swift's *I Don't Wanna Live Forever* makes up lost ground at #3 from #9, just one place short of its previous peak of #2. Taking a new peak is Snakehips' *Don't Leave* ft. MØ, now at #4 from #36 on its fourth week in the chart. The Chainsmokers' *Paris* also cracks the Top 5 with a new peak at #5 from #7. One other new peak is seen in the Top 10, Little Mix's *Touch*, which enters at #9 from #14.

There are no new debuts in the Top 20 this week, though Martin Garrix's *Scared To Be Lonely* ft. Dua Lipa cracks the bracket at #15 from #35 on its second week in the chart. Jon Bellion sees similar levels of success at #17 from #26 with *All Time Low*.

#1 MOST ADDED TO RADIO

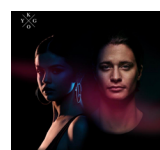

CHAINED TO THE RHYTHM

Katy Perry | EMI

Katy Perry makes her return to commercial radio known with *Chained To The Rhythm* ft. Skip Marley, her first new track since 2016's #1 ARIA Charting single *Rise*. Added to 81 stations, the major contributors were the Nova Network, both KIIS stations, the Hit Regional Network and commercial Hit stations, all of which added it across the board.

Anne-Marie had similar triumphs this week with *Ciao Adios*, earning additions to 73 stations including commercial Hit stations, the ACE Radio Network, *Ash London Live* and *Smallz's Surgery*.

Maroon 5's *Cold* ft. Future was a surprise release at the start of the week but was quickly swarmed by commercial radio. The Nova Network were among the first adopters, adding the track across the board. It also received love from the ACE Radio Network, Hit Regional Network and commercial Hit stations.

#1 NEW SINGLE RELEASE

IT AIN'T ME

Kygo ft. Selena Gomez | SME

Kygo has produced another hit titled *It Ain't Me* ft. Selena Gomez, another light tropical house treat. Given both of the artist's hit pedigrees, the new track ought to have no trouble gaining traction on commercial.

James Arthur follows up his 4x Platinum selling hit *Say You Won't Let Go* with *Safe Inside*. An evocative piece that tugs the heartstrings, it's already been added across the board to the Nova Network, with the rest of radio likely to follow suite.

After breaking new ground at radio with *Capsize* ft. Emily Warren, Frenship have come out with new hit *1000 Nights*. It's a beat-driven pop anthem that ticks all the right boxes, as you would expect from the group that was named the 2017 Shazam Emerging Artist. Stanaj's *Romantic (NOTD Remix)* is a dance banger that will go down well with most networks. Vera Blue sees her new hit *Private* take on alternative radio, even though the track's strengths make it a viable contender for commercial.

RADIO WRAP

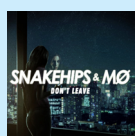

Ed Sheeran's *Castle On The Hill* returns to the top of the Hot 100 this week after losing the spot to *Shape Of You* last week. Both tracks swap place from #1 to #2 while Andy Grammer's *Fresh Eyes* takes a new peak at #3 from #4. Debuting at #8 and setting the record for highest ever debut on the Hot 100 is Katy Perry's *Chained To The Rhythm* ft. Skip Marley. The track, which is also this week's Most Added, entered one spot ahead of the previous record holder, Justin Timberlake's *Can't Stop The Feeling*.

The #1 Hot 100 Heatseeker is Lost Kings' *Phone Down* which hit #45 from #100, a total of 55 places. The next best was Marian Hill's *Down* which now sits at #33 from #64. Re-entering at #1 on the Breakers chart is Dillon Francis' *Anywhere* ft. Will Heard. Q'ty's *Rodeo* inches closer to the top at #2 from #4, as does Heaps Good Friends' *Let's Hug Longer* at #3 from #6.

The Hit Network have put all their weight behind Perry's new single *Chained To The Rhythm* ft. Skip Marley. The record breaking track was the most spun song on the network, while coming in at #2 on Nova's Spin Chart. At #1 for Nova is Andy Grammer's *Fresh Eyes*. Cosmo's Midnight now hold #1 on the triple j Spins Chart with *History* while Ed Sheeran maintains his grip on KIIS at #1 with *Shape Of You*.

NEW SINGLE SPOTLIGHT

HOME SOON

Dope Lemon | EMI

Hounds Tooth is the new EP from Dope Lemon, set for release on February 24. Lead single *Home Soon* is based on an instrumental by Belgian-based soul funk band The Chakachas. Angus found the song in his travels and gave it the Dope Lemon treatment, adding lyrics and making it his very own absolute pearl of a track

Honey Bones was one of 2016's success stories. Two of the album's singles, *Marinade* and *Uptown Folks*, made it into triple J's Hottest 100 and the band sold out their national headline tour. *Marinade* has chalked up more than 850,000 video views and the album has received consistent 4 and 5 star reviews.

Two remixes of the latest meme to take over the internet top the Spoti Viral 50. At #1 is 4ti's *Cash Me Outside How Bow Dah*, leading ahead of DJ Suede The Remix God's *Cash Me Outside* at #2. Skip Marley, the feature artist on the new record breaking Katy Perry track, enters at #3 with his own single *Lion*.

Dance hall heavyweights Major Lazer and their new single *Run Up* ft. PARTYNEXTDOOR & Nicki Minaj sits at the top of the Shazam Future Hits chart. They've managed to outpace Katy Perry's new *Chained To The Rhythm* at #2. On the Shazam Movers chart however, it's The Chainsmokers' *Paris* that comes out on top. It's followed by Sia's *Move Your Body* and PNAU's *Chameleon*, both tracks still making gains after being well and truly established hits for several months.

On the Pandora Trendsetters chart, Khalid is dominating. As he preps for the release of his debut album *American Teen* and his breakout single *Location* moves its way up the Top Spins Chart, the El Paso R&B/soul singer dethrones YoungBoy Never Broke Again for the top spot on Trendsetters. In addition to over 14,500 weekly Artist Station adds, Khalid also saw close to 4,500 Track Station adds. He's also seeing a lot of love for the official remix to *Location* featuring Little Simz, who's been popping up on the Predictions Chart. The remix saw close to 55,000 weekly spins - almost seven times the spin count from the week before.

SYNC ALERT

TALKING TO YOU

IZZY BIZU

SME

22-year-old South London singer-songwriter Izzy Bizu is quickly proving herself as one of the most exciting breakthrough artists of the year. Tracks like *Give Me Love* and *Adam and Eve* have garnered plenty of attention from music fans and the media including Jools Holland, who described her as "wonderful" after performing on his show in 2015.

Izzy was discovered after the release of her debut EP *Coolbeanz* and single *White Tiger*, and shortly after signed to Epic Records. Izzy was tipped for the BBC Sound of 2016 poll, making it into the Top 15 following her Brit Critics Choice nomination.

Izzy Bizu's *Talking To You* is currently A-listed on Radio 2 and on Radio 1 C list, and is taken from her debut album *A Moment Of Madness* which was released late last year. The official video for the track was released three weeks ago.

Talking To You currently has over 5.1 million worldwide streams and would work well for a variety of sync moments due to its bright, infectious handclap beat and positive lyric.

NEW SINGLE SPOTLIGHT

PRIVATE

Vera Blue | UMA

Vera Blue has released the first official single from her highly anticipated debut album set to be released in 2017. On *Private*, it's a new sound and a new attitude for Vera Blue. Barely two keyboard chords into the song and she's there; singing with an intensity never heard before from the girl from small town Forbes.

She's made her mark twice on the triple j Hottest 100; coming in at #78 with her solo track *Settle* and then appearing in the top 10 with 3 x Platinum selling track *Papercuts*, alongside Melbourne hip-hop artist Illy. The lead track from her debut EP *Fingertips*, *Hold* is now certified Gold with over 14 million streams.

OVERVIEW

It's a largely stagnant week for the Hot 100 Australian chart. The Hot 100 Alternative chart is the opposite however, with movement all across the Top 10. Taking a new peak right at the top is Cosmo's Midnight's *History*, taking #1 from #13. It's followed by a new peak from Methyl Ethel's *Ubu* at #2 from #6 and Gang Of Youth's new track *What Can I Do If The Fire Goes Out?* at #3 from #40. Capping off the Top 10 is Dillon Francis' *Anywhere* ft. Will Heard, moving to #10 from #46.

Sia's *Move Your Body* moves up to #1 from #3 on the AIR Singles chart while her previous #1 *The Greatest* is higher up in the Top 5 at #4 from #5. Client Liaison crack the Top 10 at #9 from #14 with *Off White Limousine*. Re-entering the Top 10 at #10 from #15 is Sia's *Chandelier*. In eight weeks, assuming it's still in the chart, the song will have spent three calendar years in the chart.

Biscotti's *Instamatic* maintains its lead on the Amrap Metro chart with the first change occurring at #4 in the form of The Cactus Channel & Sam Cromack's *Sorry Hills*. Ash Grunwald's *Hammer* is the new #1 on the Amrap Regional chart, taking #1 from #7. It's followed by a new peak from Jeff Lang's *Burnside* at #2 from #4.
