#1 SINGLE ACROSS AUSTRALIA

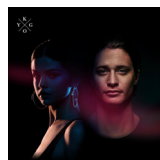

I DON'T WANNA LIVE FOREVER

ZAYN & Taylor Swift | UMA

After a five week run of domination on the Artist Top 50 by Ed Sheeran – the last four with *Shape Of You* – he has conceded #1 to ZAYN & Taylor Swift's *I Don't Wanna Live Forever*. Making a huge debut at #4 is Katy Perry's *Chained To The Rhythm* ft. Skip Marley. The debut coincides with the track moving to #1 on the TMN Hot 100, as well as its success on iTunes (#4) and Spotify (#21).

The Weeknd inches closer to the Top 5 with *I Feel It Coming*, now at #6 from #36. The Weeknd took #1 on the Artist Top 50 ten weeks ago with *Starboy*. Bruno Mars sees a move into the Top 20 at #13 from #21 with *That's What I Like*, as does Alessia Cara's *How Far I'll Go* at #16 from #24.

No debuts, aside from Katy Perry, in the Top 20 – Maroon 5's new *Cold* ft. Future is the next highest, debuting at #32.

#1 MOST ADDED TO RADIO

IT AIN'T ME

Kygo ft. Selena Gomez | SME

Last week's #1 New Single Release is this week's #1 Most Added To Radio, Kygo's *It Ain't Me* ft. Selena Gomez. The track was swamped with additions, scoring across the board support from the Nova Network, Hit Regional Network, KIIS, commercial Hit stations as well as an add to *Ash London Live*.

Linkin Park's *Heavy* ft. Kiiara came in at a close second, the lack of KIIS station support being the main obstacle the track faced. Zedd & Alessia Cara's new hit *Stay* saw some early adoption this week, so much that it was #5 on the Most Added chart. Additions to the *Ash London Live* show saw it pushed through the entire SCA network.

#1 NEW SINGLE RELEASE

SLIDE

Calvin Harris ft. Frank Ocean & Migos | SME

Calvin Harris follows up the triumphant 2x Platinum banger *My Way* with a much mellower vibe. *Slide* is a crisp, inviting slice of late summer, with a solid feature list containing two of the most hyped artists of 2016, Migos and Frank Ocean.

Following the success of *Set In Stone*, Guy Sebastian makes a stellar return to commercial radio with *Mind On You*. A minimalist pop confection with exceptional production, it's a subtle but pleasant change in direction for the Idol alum's reinvention.

Two of the more colossal names in contemporary pop and dance, The Chainsmokers and Coldplay, have teamed up on *Something Just Like This*. Another formidable collaboration – Zedd & Alessia Cara's *Stay* – is set to challenge them, however. Both combinations ought to please most if not all formats on commercial radio.

Several treats make their way towards alternative radio, including *Dream In/Out*, the latest in a series of space odyssey-themed singles from Green Buzzard. Aussie pub rock revivalists Bad//Dreems will rile listeners up with *Feeling Remains* while triple j Unearthed upstarts The Money War release *Stars*.

Go to www.themusicnetwork.com/charts to view all this week's Singles To Radio and Most Added singles. See every addition on every station in [Radioactive](#).

RADIO WRAP

After entering the Hot 100 at #8 and setting a new record for the highest debut on the chart, Katy Perry's *Chained To The Rhythm* ft. Skip Marley has taken #1 on the Hot 100. It's the first time Katy has topped the chart since *Roar* held the top spot in late October 2013 for a total of seven weeks. It's tailed by ZAYN & Taylor Swift's *I Don't Wanna Live Forever*, taking a new peak at #2 from #5 on its eighth week in the chart. Further down the Top 10, Julia Michaels secures a new peak at #8 from #10 with debut single *Issues*.

It's a relatively quiet week on the Hot 100 Heatseekers chart. Kaleo's *Way Down We Go* takes the top spot after moving only 23 positions from #93 to #70. Green Buzzard are back on top of the Breaker chart once again with *Do You Ever Glow?*

The Nova Network have thrown their weight behind Katy Perry's *Chained To The Rhythm* this week, pushing the track to #1 on their Spins Chart. Hit have gotten back behind ZAYN & Taylor Swift's *I Don't Wanna Live Forever* while KIIS and Triple M keep last week's #1s – Ed Sheeran's *Shape Of You* and Ryan Adams' *Do You Still Love Me?*, respectively. Debuting at #1 on triple j's Spin Chart is Stormzy's *Big For Your Boots*, from his new album *Gang Signs & Prayer*, which is now the current triple j feature.

NEW SINGLE SPOTLIGHT

DREAM IN/OUT

Green Buzzard | MUSHROOM

Oberon space rockers Green Buzzard have unleashed the latest single, *Dream In/Out*, taken from their forthcoming space odyssey EP *Space Man Rodeo*.

Dream In/Out was the final song/transmission the Arcadian Space Control ever received from Dewey Everglow's lost spaceship, the SMR-77. From what they could gather, it seemed to be a song about escapism, a longing for "something new" and the insecurities Dewey faced about what his dreams would ultimately make of him.

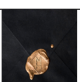

Green Buzzard will be playing live at Bad Fridays (A Marrickville Block Party) with DMA'S, The Jezabels, Royal Headache and more. Friday April 14 - Railway Parade, Marrickville NSW.

“ ONES TO WATCH

The 'Cash Me Outside How Bow Dah' meme still reigns supreme atop the Spotify Viral chart this week, only this time it's DJ Suede The Remix God's version of *Cash Me Outside* at #1 and not 4ti's take. Prince is the real star of the chart this week, however. Following the hype behind his catalogue's return to the streaming service last week, the icon earned three chart spots, with *Purple Rain* placing the highest at #4.

On The Shazam Future Hits chart, Martin Garrix manages to hit #1 with *Scared To Be Lonely* ft. Bebe Rexha, pulling ahead of Katy Perry's *Chained To The Rhythm* ft. Skip Marley. Perry is tailed at #3 by Ed Sheeran's latest hit *How Would You Feel*. Anne-Marie's *Ciao Adios* makes an appearance at #9 following a huge week at radio.

Ed Sheeran pulls through on the Shazam Movers chart, however, with *How Would You Feel* killing all other competition – although Kygo's new hit, and this week's Most Added To Radio, *It Ain't Me* ft. Selena Gomez, cracks #2. Among all the commercial names in the chart this week, Gang Of Youths have managed to make themselves known with *What Can I Do If The Fire Goes Out*, debuting at #9 ahead of Vera Blue's *Private* at #10.

Khalid maintains his hold on the Pandora Trendsetters Chart this week while Glack takes a new peak at #2. Making her debut at #8 is Julia Michaels. She's the songwriter behind such addictive hits as Justin Bieber's *Sorry*, Hailee Steinfeld's *Love Myself* and much of Selena Gomez's second studio album *Revival*, and now she has a glistening pop song all to herself with *Issues*, her first official single. As the song tears up the Top Spins Chart, currently at #18, Michaels debuts on Trendsetters with 3,670 weekly Artist Station Adds on Pandora.

NEW SINGLE SPOTLIGHT

SATELLITES

Timmy Trumpet & Qulinez | HUS

Having sold five times platinum and had over 100 million Spotify plays with his previous single *Freaks* with Savage, Aussie DJ/producer Timmy Trumpet returns to the airwaves with *Satellites*, a collaboration with Swedish duo Qulinez. A change of pace for Timmy, the track debuted in the Top 20 on iTunes, has already been picked up by key Spotify playlists including New Music Friday, New Music Buzz and New Dance Beats, as well as securing a nights addition on the Hit Network.

Described as “f*cking amazing” with “a phenomenal topline and incredibly current production” by Project U, *Satellites* is set to be another crossover hit for Timmy Trumpet.

NEW SINGLE SPOTLIGHT

COME PARTY

Polish Club | UMA

The howling Sydney rock-soul duo have dropped their second single and video for *Come Party* and made the announcement that their highly anticipated debut album *Alright Already* will be out on Friday March 31 supported by their biggest headline tour to date.

Come Party, which premiered on triple j's *Good Nights*, is like a rope tied to your hips which jerks your body sideways in double time and won't let go. All sweat-spattered drumskins and grunting hyper-agitated guitar, it's under three minutes of exhilarating garage soul that makes your blood fizz and your ears sing like a trash can falling down a set of concrete stairs.

OVERVIEW

PNAU's *Chameleon* continues its power struggle with Starley's *Call On Me* on the Hot 100 Australian chart this week, retaking the #1 and swapping places with *Call On Me* from #2. Chance The Rapper makes the next notable move in a largely stagnant Top 10, breaking into the bracket from #11 to a high of #9 with *All Night*.

Snakehips take a new peak atop the Hot 100 Alternative chart with *Don't Leave* after four weeks of floating around the top end of the chart. The move to #1 from #5 is shadowed by Stormzy's *Big For Your Boots*, which climbed to #3 from #18 on its second week in the chart and is currently the most played track on triple j. Ali Barter debuts in the Top 5 at #4 with *Cigarettes*, while Syd's *All About Me* cracks the Top 10 at #6 from #31. Northeast Party House round off the Top 10 with *Calypto Beach* entering at #10 from #29.

The AIR Radio Play chart remains largely stagnant this week, though there is a new #1 on the Singles chart: Tash Sultana's *Jungle* has managed to overtake Sia's *Move Your Body*. Sia's other tracks *Cheap Thrills* and *Chandelier* make gains at #6 from #7 and #9 from #10, respectively.

Methyl Ethel have pulled ahead on the triple j Hit List with *Ubu*, followed by a debut from Stormzy at #3 with *Big For Your Boots*. Gang Of Youths' moving new single *What Can I Do If The Fire Goes Out* cracks #4 while Snakehips' *Don't Leave* ft. MØ holds on at #5.
