3	<b>WOULDN'T IT BE GOOD</b> Tina Arena   EMI
4	<b>STILL RUNNING</b> Clare Bowen   EMI
5	<b>SAVAGE</b> Paces   ETC/UMA

## #1 SINGLE ACROSS AUSTRALIA

### SHAPE OF YOU

Ed Sheeran | WMA

Back at #1, and clocking up its fifth non-consecutive week in that position, is Ed Sheeran's *Shape Of You*. It briefly lost the top spot last week to ZAYN & Taylor Swift's *I Don't Wanna Live Forever*. Cracking the Top 20 at #4 from #42 is Kygo's *It Ain't Me* ft. Selena Gomez. Jon Bellion earns a new peak at #8 with breakthrough single *All Time Low*, moving up from #10, as does Bruno Mars' *That's What I Like* at #9 from #13.

The first new debuts come in at #16 and #17. First up is Ed Sheeran's latest, *How Would You Feel*. Next is The Chainsmokers & Coldplay's huge collaboration *Something Just Like This*. Maroon 5 mark the last noteworthy change at #18 as their new single *Cold* ft. Future enters the Top 20 from #32 on its second week in the chart.

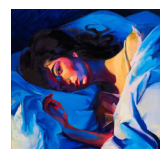

## #1 MOST ADDED TO RADIO

### SLIDE

Calvin Harris ft. Frank Ocean & Migos | SME

Coming out ahead of the race for #1 Most Added To Radio is Calvin Harris' new single *Slide* ft. Migos & Frank Ocean. It was an incredibly close call however, with not much of a gap between *Slide* and The Chainsmokers & Coldplay's *Something Just Like This*. The two received almost identical additions, including across the board adds on the Nova Network, Hit Regional and commercial stations, both KIIS stations and the *Ash London Live* show. The main difference was that *Slide* saw love from triple j – thanks to the Frank Ocean feature, no doubt.

Zedd's *Stay* ft. Alessia Cara takes #3 following support from the Hit Regional Network, Nova and KIIS. Linkin Park's new foray into pop earns a second week in the Most Added chart as well, with *Heavy* ft. Kiiara adding both KIIS stations to its list of supporters.

## #1 NEW SINGLE RELEASE

### GREEN LIGHT

Lorde | UMA

Leading the competition to radio next week is the long awaited return of Lorde, *Green Light*. It's produced by Lorde, Jack Antonoff (ZAYN & Taylor Swift) and Frank Dukes (J. Cole, The Weeknd). Moving in a refreshingly different direction too most tracks on commercial, it's more than likely to be next week's Most Added To Radio.

New tracks from Post Malone, Tina Arena and Nashville star Clare Bowen will also be making their way across radio next week.

3		<b>DO YOU STILL LOVE ME?</b> Ryan Adams   EMI
4		<b>COCOON</b> Milky Chance   UMA
5		<b>CASTLE ON THE HILL</b> Ed Sheeran   WMA

## RADIO WRAP

Ed Sheeran held #1 for five weeks with recent hits *Shape Of You* and *Castle On The Hill* taking turns, until Katy Perry overthrew him with *Chained To The Rhythm*. This week sees Sheeran retake the top of the Hot 100 with *Castle On The Hill*, up from #4. Naturally, the move is tailed by *Shape Of You* at #2 from #5. Little Mix break into the Top 10 with *Touch*, entering at #6 from #16. They last peaked in the Top 10 when *Shout Out To My Ex* reached #2 in late November 2016. Kygo's new banger *It Ain't Me* ft. Selena Gomez squeezes into the bracket at #10 from #34 on its second week in the chart.

The #1 Hot 100 Heatseeker this week is Linkin Park's *Heavy* ft. Kiiara. It cracked #20 from #73, making a total move of 53 places on the Hot 100. Scottish rock heavyweights Biffy Clyro top the Hot 100 Breakers chart with *Flammable*, moving up from #9. The move is largely thanks to the support the group is seeing from Triple M.

Ali Barter's *Cigarette* makes it to #1 on the triple j Spins Chart followed by Hot 100 Alternative #1, *History* by Cosmo's Midnight. Kaleo's moving *Way Down We Go* manages to top the Triple M Spins Chart with Biffy Clyro's *Flammable* seeing upward movement at #2. This week also sees Ed Sheeran regain control of the Top Spins charts for all three major commercial networks. *Shape Of You* takes hold of KIIS while *Castle On The Hill* is the clear favorite on both Nova and Hit.

## NEW SINGLE SPOTLIGHT

### FEELING REMAINS

Bad//Dreems | MUSHROOM

Off the back of lead single *Mob Rule* comes Bad//Dreems' latest offering *Feeling Remains* and the announcement of *Gutful*, the band's sophomore LP, to be released on April 21. *Feeling Remains* boasts all the hallmarks that have made Bad//Dreems one of the country's most beloved new bands; ragged guitars underpinned by the rocksteady groove of James Bartold (bass) and Miles Wilson (drums). Lead singer Ben Marwe's voice remains as vivid and visceral as ever. "It's a song about the eternal battle with melancholy faced by so many," explains guitarist Alex Cameron. "Sometimes no matter how hard you try, the darkness just won't dissipate. The feeling still remains. It's always there nipping at your heels. You just gotta keep on stepping on so it can't get a firm grip."

7		<b>LUDFOE</b>
8		<b>JULIA MICHAELS</b>
9		<b>MONEY MAN</b>
10		<b>TAYLOR GIRLZ</b>

## ONES TO WATCH

It's week two at #1 for DJ Suede The Remix God's take of *Cash Me Outside*. Its run at #1 might not last much longer, however, with some big names joining him in the Top 10 this week, starting at #4 with Kygo's *It Ain't Me* ft. Selena Gomez. The latest Ed Sheeran single *How Would You Feel* makes itself known at #6 while Linkin Park's new one *Heavy* debuts in the Top 10 at #9.

Kygo's collaboration with Selena Gomez has stormed to the front of the Shazam Future Hits chart this week, outpacing Katy Perry's record-breaking *Chained To The Rhythm* ft. Skip Marley, DJ Khaled's *Shining*, and the giant new track from The Chainsmokers & Coldplay, *Something Just Like This*. A few smaller artists make noteworthy entries, with Kodak Black's *Tunnel Vision* and Hannah Miller's *We Can Always Come Back To This* sliding in at #9 and #10 respectively.

The aforementioned huge collaboration between The Chainsmokers & Coldplay has torn up the Shazam Movers, chart however, with *Something Just Like This* making the most upward trajectory on the Shazam chart. Martin Garrix's *Scared To Be Lonely* ft. Bebe Rexha still has wiggle room at #2, while Calvin Harris' mammoth newie *Slide* ft. Migos & Frank Ocean debuts at #3. A noteworthy debut from indie Kingswood rounds out the top bracket, with their new single *Golden* at #10.

Khalid's reign over the Pandora Trendsetters chart goes uninterrupted for another week, with small reshuffles occurring throughout the Top 10. One of these movers is KYLE. As his breakout single *iSpy* sneaks up the Pandora Top Spins Chart, the LA rapper is creeping up the Trendsetters Chart, too. He hits his highest position so far this week at #4 after seeing close to 12,000 weekly artist station adds. And even though *iSpy* is the clear standout of his catalogue, the MC's previous releases are starting to get attention as well. *Bang* ft. Mr Man, off his 2013 debut album *Beautiful Loser*, saw a 554.7% week-on-week lift in spins, for example.

## NEW SINGLE SPOTLIGHT

### Savage

Paces | HUS/UMA

Following a stellar year that included releasing his debut album *Vacation*, radio support for his breakthrough single with Jess Kent, *1993 (No Chill)* smashing triple j's Like A Version with Guy Sebastian, plus multiple tours around the country, Gold Coast producer Paces capped off 2016 by picking up the inthemix Award for Breakthrough Artist Of The Year.

Paces now launches into 2017 with a brand new single, *Savage*, featuring Melbourne singer-songwriter NYNE. Already one of the most played tracks on triple j, *Savage* has had over 1.3 million plays on Spotify, reached the Top 50 on Shazam and hit #11 on the iTunes Electronic chart.

Paces will be touring nationally, playing Hot Dub Wine Machine in Hobart and the Hunter Valley, plus supporting Illy and Marshmellow on their upcoming Australian tours.

## NEW SINGLE SPOTLIGHT

### GREEN LIGHT

Lorde | UMA

Grammy Award-winning multi-platinum chart-dominating artist Lorde returns with her new single *Green Light*.

The new track is produced by Lorde, Jack Antonoff and Frank Dukes. *Green Light* heralds the impending arrival of Lorde's second full-length album and follow-up to 2013's *Pure Heroine*, due this winter.

*Pure Heroine* debuted at #1 on the ARIA Charts and delivered multiple hit singles: *Royals* (7x Platinum), *Team* and *Tennis Court* (both 2x Platinum). Lorde also had multiple placings in the Top 10 of triple j's Hottest 100.

*Green Light* marks the first taste of new music that will set the tone for her highly anticipated performances at major international festivals including Coachella, Governors Ball, and Bonnaroo.

## OVERVIEW

It's a stable Top 2 on the Hot 100 Australian chart this week as PNAU's *Chameleon* and Starley's *Call On Me* duke it out with PNAU remaining in the lead for another week. Peking Duk's former #1 *Stranger* ft. Elliphant makes up lost ground at #3 from #4 while Sia's *Never Give Up* takes a new peak at #4 from #5. The remainder of the Top 10 remains stagnant except for Tash Sultana re-entering at #10 from #14 with hit *Jungle*.

Cosmo's Midnight return to #1 on the Hot 100 Alternative chart, back up from #8 with *History* after dropping from the top spot two weeks ago. Scoring a debut at #2 is Dune Rats' *Braindead* – the first single from new album *The Kids Will Know It's Bullshit* to crack the Top 5. Their previous best was #3, with the track *Funny Guy* from their debut self-titled album. Airling's *Not A Fighter* makes its Top 10 debut at #6 from #40 while Kingswood debut outright at #9 with *Golden*.

Flume's *Skin Companion EP II* takes a #1 debut on the AIR Singles chart this week, ending Tash Sultana's brief stint at the top with *Jungle*. Sia makes up some lost ground at #3 from #4 with *The Greatest* ft. Kendrick Lamar. The AIR Radio Play chart remains largely uneventful, with Amy Shark's *Adore* holding #1 for another week.
