#1 SINGLE ACROSS AUSTRALIA

CASTLE ON THE HILL

Ed Sheeran | WMA

Seven weeks ago, Ed Sheeran's *Castle On The Hill* topped the Artist Top 50 then fell, only to have the track return to the top spot following the release of his new album. It overtakes former #1 *Shape Of You* which now drops to #5. The Chainsmokers & Coldplay take #2 following their debut at #17 last while, while PNAU's *Chameleon* re-enters the Top 20 at #4 from #24.

The first and only debut in the Top 20 is Zedd's *Stay* ft. Alessia Cara, entering at #11. Breaking into the Top 20 at #18 from #42 is the new mammoth hit from Calvin Harris, *Slide* ft. Migos & Frank Ocean, which was last week's Most Added track to radio.

#1 MOST ADDED TO RADIO

GREEN LIGHT

Lorde | UMA

As predicted, Lorde blew all competition out of the water last week with her triumphant comeback single *Green Light*. It received over 80 recorded additions across the entirety of Australian radio, including adds from the Nova Network (it was the only track added across the board), both KIIS stations, Hit Regional Network and commercial Hit stations. On top of all this, Lorde also garnered the support of triple j, receiving an addition to its days playlist and thus crossing into alternative radio.

Making a surprise entrance at #2, however, is the new single from one of Australia's newest pop exports, Sheppard's *Keep Me Crazy*. The track, now officially released, saw widespread adoption ahead of its official release. Amongst those early adopters were the Hit Regional Network and the *Ash London Live* show.

#1 NEW SINGLE RELEASE

WATERFALL

Stargate ft. P!nk & Sia | SME

Norwegian production and songwriting duo Stargate kick off their career with a stellar debut single in the form of *Waterfall* ft. P!nk & Sia. Though the track is a hit in of itself, it's not the first glimpse of success Stargate have seen. The duo has an impressive pedigree of hits that they've contributed to including Grammy Award-winning *Miss Independent* by Ne-Yo and Rihanna's *Only Girl In The World*.

Sheppard's *Keep Me Crazy* is also officially out to radio next week, though plenty of stations have already jumped the gun and added the track. NAV's *Some Way* ft. The Weeknd ought to turn quite a few heads and The Avalanches will have a crack at commercial once more, this time with *The Noisy Eater*.

RADIO WRAP

Returning to #1 on the Hot 100 is Ed Sheeran's *Shape Of You*. Originally holding the top position four weeks ago, it overtakes *Castle On The Hill* while Katy Perry keeps pace at #3 for another week with *Chained To The Rhythm*. The Chainsmokers & Coldplay's *Something Just Like This* cracks the Top 10 on its second week in the chart, entering at #4 from #13 followed by a debut from Lorde's *Green Light* at #9. It's the fifth track ever to debut in the Top 10 of the Hot 100, and the second to do so in 2017.

Sia's *Cheap Thrills* makes for an unexpected #1 Hot 100 Heatseeker – the track moved around the lower spectrum of the Hot 100, now at #71 from #100. Topping the Breakers is a new debut from Australian producer LDRU, *To Be Free*.

To Be Free's move to the top of the Breakers coincides with its placing at #5 on this week's triple j Spins chart. Topping that chart, though, is Lorde's new *Green Light*, highlighting that although commercial were quick to jump on the track, it's triple j that threw all its weight behind it in week one. Kaleo holds fast at #1 for another week on the Triple M Spins Chart, as does Ed Sheeran's *Shape Of You* for KIIS. Nova's new favourite is The Chainsmokers & Coldplay's *Something Just Like This*, leading ahead of The Chainsmokers' other recent hit *Paris*, which holds #2.

ONES TO WATCH

The big collab from The Chainsmokers & Coldplay tops two of the Trending & Predictive charts this week. First up is Spotify Viral, where it's pulled ahead of Zedd & Alessia's new hit *Stay* and last week's Most Added, Calvin Harris' *Slide* ft. Migos & Frank Ocean. The flavour of the month meme, Bag Raiders' *Shooting Stars*, has made a reappearance at #6.

The Shazam Future Hits chart isn't immune to the power of The Chainsmokers & Coldplay collaboration either, with *Something Just Like This* leading ahead of an identical Top 3. Lorde's *Green Light* debuts at #6 but makes itself known atop the Shazam Movers chart at #1. Ed Sheeran also sees a healthy week on the Shazam Movers with entries at #4, #5, #8, #10, the highest being *Perfect*.

It pales in comparison to the absolute domination demonstrated by Sheeran on the International LyricFind chart, however. Leading at #1 with *Perfect*, there are only two places in the Top 10 not occupied by Sheeran – yes, eight spots are filled up with tracks from his recently released album –.

NEW SINGLE SPOTLIGHT

KEEP ME CRAZY

Sheppard | CHUGG

Keep Me Crazy from Brisbane hit-makers, Sheppard, is the second most added track in its first week at national radio. It's a great start for the first international single from Sheppard's upcoming new album as well finding favor with network music directors at NOVA169 Brisbane, Hit105 Brisbane (song of the week), FOXFM Melbourne, SCA network late nights, Hit929 Perth, 198FM, JoyFM Melbourne, and FM104.7 Canberra, amongst others. It arrives as Queensland's most popular pop export continues their run across the country with Global superstar Justin Bieber scooping up features across TV (AFL & NRL Footy Shows, Today Show) and press.

The track is about finding wild, lasting love that keeps you youthful, enthusiastic and passionate," said George Sheppard. "It's also a great signpost of what to expect from our album later this year and we're excited to take it to our fans not just in Australia, but around the world." Sheppard's live show found favor with Justin Bieber fans and the press alike during the Perth edition of the Purpose Tour with the band showing that they have matured into a live act which can command an audience's attention in the largest of venues. Sheppard are set to head overseas shortly to fulfill promotion obligations in the US, UK, and Europe in support of the international release of *Keep Me Crazy*.

NEW SINGLE SPOTLIGHT

BE WITH YOU ALWAYS

Mighty Oaks | EMI

Looking for a song to break up the pop and dance on your station? Mighty Oaks' *Be With You Always* is a mainstream song that has one of the most sing-a-long choruses of the year.

A band of 'the world', this three-piece hail from the US, Italy and the UK and are based in Berlin. *Be With You Always* is a catchy love song, marked by soft acoustic guitars and beautiful harmonies on the chorus that reel the listener in from the outset - transmitting a sense of excitement and triggering an endorphin rush and a desire to hit the repeat button. Sounds like Lumineers, Foy Vance and Of Monsters and Men.

OVERVIEW

There's plenty of action on the Hot 100 Alternative chart this week with Lorde leading the way at #1 with the debut of *Green Light*. The next five chart places are all new peaks for the respective tracks, with Ali Barter's *Cigarettes* at #2 from #4, and Gang Of Youths' *What Can I Do If The Fire Goes Out?* at #3 from #37. The Jungle Giants break into the Top 10 at #4 from #17 with *Feel The Way I Do*, as does LDRU's *To Be Free* at #6 from #24.

Cosmo's Midnight returns to #1 on the triple j Hit List with *History* followed by Ali Barter's *Cigarette* at #2, mirroring its placing on the triple j Spins List. Jode Gannon's *Little Honey* scores a debut on top of the triple j Unearthed Hit List.
