#1 SINGLE ACROSS AUSTRALIA

SHAPE OF YOU

Ed Sheeran | WMA

Following on from the new peak achieved last week, Jon Bellion manages to do it at again, hitting higher reaches of the chart at #3 from #5 with *All Time Low*. Now he's only got Ed Sheeran and The Chainsmokers & Coldplay collaboration to deal with...

Norwegian duo Stargate crack the Top 10 with *Waterfall* ft. P!nk & Sia, planting their flag on a new peak at #7 from #36. *Waterfall* is being chased by Martin Garrix's *Scared To Be Lonely* ft. Dua Lipa, also at a new peak at #9 from #12.

Two new debuts crack the Top 20 this week. The first, at #10, is Drake's *Passionfruit*, which has proven to be the radio favourite from *More Life*. The other is at #18 with Clean Bandit's *Symphony* ft. Zara Larsson, the Most Added Song To Radio two weeks ago.

#1 MOST ADDED TO RADIO

STILL GOT TIME

ZAYN ft. PARTYNEXTDOOR | SME

Surprising no one at #1 is the monumental new single from ZAYN ft. PartyNextDoor. *Still Got Time* received additions to 75 stations last week including across-the-board adds on the Nova Network, various commercial Hit stations and *Ash London Live*.

Amy Shark comes in at a close second, with new hit *Weekends* seeing adoption from commercial radio instantaneously, skipping the hurdle at alternative radio that breakthrough hit *Adore* had to go through. Additions to various commercial Hit stations, *Ash London Live* and triple j helped it along as well. So it's sure to have a faster ride up the charts than *Adore* – the only question is whether it will go as high.

#1 NEW SINGLE RELEASE

AT MY BEST

Machine Gun Kelly ft. Hailee Steinfeld | UMA

Machine Gun Kelly proved his potential at radio last year with *Bad Things* ft. Camila Cabello. The track peaked at #27 on Hot 100 and has paved the way for new hit *At My Best* ft. Hailee Steinfeld. Definitely one of the punchiest pop anthems to come out this year, Steinfeld's feature ought to turn quite a few heads.

Ed Sheeran's already chart-topping *Galway Girl* receives an official service to commercial radio though many stations have already added the track. Bliss N Eso's *Moments* ft. Gavin James and Astrid S's *Breathe* should also see love from commercial.

RADIO WRAP

The Chainsmokers & Coldplay's time at #1 with *Something Just Like This* was short-lived with Ed Sheeran's *Shape Of You* reclaiming the top spot on the Hot 100. Lorde makes serious upward movement at #3 from #5 with *Green Light* however. It surpasses the last track she cracked the Hot 100 with, Disclosure's *Magnets* with her featuring, which peaked at #17. It's also now one spot away from tying her career peak of #2, held by her breakthrough single *Royals*. *Green Light* has real potential to match or even exceed *Royals* if she can pull ahead of *Something Just Like This* and *Shape Of You*, the latter now on its twelfth week in the chart and likely to fall in the coming weeks.

On top of #2 Most Added, Amy Shark's *Weekends* made waves in the chart this week, becoming the Hot 100 Heatseeker. Now at #38 from #82, the track moved a total of 44 places and is poised to crack the Top 20 come next week's chart.

“ ONES TO WATCH

It's a Drake-dominant Trending & Predictive section this week with *Passionfruit* – the first single from *More Life* – taking on a life of its own. The track nabs #1 on the Spotify Viral and Shazam Future Hits chart but comes in second to Clean Bandit's *Symphony* on the Shazam Movers chart.

On The Spotify Viral Chart, Drake also earns entries at #4 with *Get It Together* and #7 with *Teenage Fever*. On the Future Hits Chart, he also scores #4 with *Portland* and #7 with *Free Smoke*.

The international LyricFind chart remains largely predictable this week, with various Ed Sheeran tracks still dotting a Top 10 led by Starley's *Call On Me*. The impact of Chuck Berry's death is seen on the chart at #4, however, with *Johnny B. Goode* making an entry – apparently, the kids are loving it.

NEW SINGLE SPOTLIGHT

BREATHE

Astrid S | UMA

Award-winning singer and pop star Astrid S has unveiled her brand new single *Breathe*. The track is her first of new music for 2017, and follows a breakthrough year for Astrid, in which her hit single - *Hurts So Good* - topped 120 million streams on Spotify alone. *Breathe* was produced by Oscar Holter for Wolf Cousins (Tove Lo, Demi Lovato, Ellie Goulding).

Though only 20 years old, Astrid S has already seen unprecedented critical and commercial success in both her home country of Norway and across the globe. In addition to the streaming success for *Hurts So Good*, the official music video recently hit 7 million views as a part of Astrid's self-titled debut EP.

NEW SINGLE SPOTLIGHT

MOMENTS

Bliss n Eso ft. Gavin James | MUSHROOM

Bliss n Eso have affixed another fine string to their bow with the delivery of new single *Moments* (feat. Gavin James), the third single from their highly-anticipated sixth studio album *Off The Grid* (out Fri 28 April).

Lending his heavenly vocal to the track is award-winning Irish superstar Gavin James. The single reflects on those special moments growing up that we'll never forget. It celebrates the carefree days that shape our youth.

Frontier Touring and Illusive Presents are pleased to announce the trio will hit the road for a colossal national tour in support of their album taking in metro and regional centres throughout Australia this May, June and July.

OVERVIEW

Now claiming #1 on both the AIR Singles and AIR Radio Play chart this week is Sheppard's new hit *Keep Me Crazy*. The last artist to do this was the all-conquering Sia in January, with *Move Your Body* and *The Greatest*, and you've got to go back to early December to find the same song topping both charts (*The Greatest* again).

While *Keep Me Crazy* leads, their global breakthrough hit *Geronimo* is still hanging around, spending its 138th week on the Singles chart at #15. The Radio Play chart has it at #17 on week 153. And *Keep Me Crazy*'s success isn't confined to the AIR charts, with the Hot 100 seeing the track at #31 just this week.
