#1 SINGLE ACROSS AUSTRALIA

SOMETHING JUST LIKE THIS

The Chainsmokers & Coldplay | SME

Returning to #1 after a three week tug-of-war is The Chainsmokers & Coldplay's *Something Just Like This*, overtaking Ed Sheeran's *Shape Of You* at the top of the chart. Mirroring the success the track has been seeing online (#2 iTunes, #5 Spotify) and on radio (#1 Hot 100), *Something...* lands ahead of the latest Sheeran track to gain traction, *Galway Girl*, as well as Drake's *Passionfruit* which has proved to be the Australian favourite thus far from *More Life*.

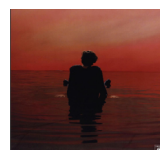

#1 MOST ADDED TO RADIO

HEATSTROKE

Calvin Harris ft. Ariana Grande & Pharrell | SME

Whenever Calvin Harris drops a single, it's always universally well received, especially by Australian radio. Last single *Slide* ft. Migos & Frank Ocean came loaded with potent appeal to both alternative and commercial sides of the FM airwaves.

Now we've got *Heatwave* ft. Ariana Grande & Pharrell Williams. Added to 61 stations this week, it copped across the board additions from the Nova Network, KIIS stations and both metro and regional Hit stations. The lack of an alternative hip hop icon like Frank Ocean on this track means that it missed out on the triple j addition this time around, however.

#1 NEW SINGLE RELEASE

SIGN OF THE TIMES

Harry Styles | SME

"No longer do we say 'Harry from One Direction' - you're now 'Harry Styles, solo artist'," Nick Grimshaw declared to his co-host on BBC Radio 1 Breakfast on Friday, right before premiering Styles' first single under his own name. Co-written with serial Kanye collaborator Jeff Bhasker, *Sign Of The Times* is a slow-burning five minutes and 41 seconds, that blooms from pensive piano into swirling psychedelic guitars with a distinct David Bowie influence.

Much has been made of the single's 70s-rock flavour, with Sony and early reviews both emphasising that Styles has eschewed the on-trend R&B and moody beats favoured by ex-bandmate ZAYN. *Sign Of The Times*' title might echo Zayn's latest, *Still Got Time*, but with the dramatic choir-backed climax and emotional falsetto, it's evoking an entirely different musical epoch. Needless to say, it's tailor-made to make legions of adoring Directioners swoon over Styles' vocal performance, but its classic-rock feel may well win over new fans.

Mike Posner's return to radio is signaled by the servicing of the *In The Arms Of A Stranger* (Grey Remix). With crystal clear guitars and rock solid production, it's a worthy follow up to *I Took A Pill In Ibiza* though it's unlikely that anything can ever match how crazy people went for that track.

New tracks from Halsey, Milky Chance and Husky are also likely to turn heads.

RADIO WRAP

Bruno Mars cracks the Top 3 of the Hot 100 for the second time in under a year with *That's What I Like* taking #2, beating the peak of *24k Magic* which hit #3 five months ago. With *That's What I Like* now taking the title of highest charting single from the album *24k Magic*, it rests only one spot away from matching Mars' last stint at #1, when he featured on Mark Ronson's *Uptown Funk*.

Is a #1 for *That's What I Like* out of the question? It's definitely not impossible. The track sits at #1 on both the Nova and Hit spins charts. Should that level of support continue for another week or so, it could very well overtake *Something Just Like This*, which is currently on its sixth week in the chart and as prone to gravity as any other hit.

Clean Bandit sees more success this week with *Symphony* ft. Zara Larsson, now at #10 on its third week and just nine spots shy of previous hit *Rockabye*'s peak of #1. David Guetta cleans up as the #1 Heatseeker with *Light My Body Up* ft. Nicki Minaj & Lil Wayne hitting #31 from #66.

NEW SINGLE SPOTLIGHT

GHOST

Husky | MUSHROOM

Following the release of *Late Night Store* and a sold-out east coast tour, Melbourne duo Husky bring news of their awaited third record *Punchbuzz* (out June 2), and share new single *Ghost*.

Premiered on radio via triple j and online through Clash Magazine, *Ghost* offers a second glimpse of the new album and a freshly evolved, experiential sound. The song details Husky Gawenda and Gideon Preiss's experiences of life back in Australia after eight months abroad in Europe. Previous single *Late Night Store* is now at two million streams on Spotify.

“ ONES TO WATCH

Plenty of new music tops the Trending & Predictive charts this week. Gorillaz lay claim to the Spotify Viral chart with *Andromeda* ft. D.R.A.M. scoring #1. It's just one of four singles released on March 31 in the lead-up to their highly anticipated new album – in what we might have to start calling The Sheeran Gambit – and the other three also chart this week. *Saturnz Barz* ft. Popcaan enters next at #3, with *Ascension* ft. Vince Staples and *We Got The Power* ft. Jehnnny Beth entering further down. The fifth single dropped just last Friday, *Let Me Out* ft. Mavis Staples & Pusha T, will very likely top the newest chart.

Kendrick Lamar unveiled his first new material for 2017 a few weeks back on *The Heart Part 4*, but it's his latest serving, *HUMBLE.*, that's really doing the rounds. With the striking video at #1 on the Vevo Australia chart following its release last week, the track is already topping the Shazam Future Hits chart as well. The push from triple j is definitely helping – it's currently at #1 on their Spins Chart. *HUMBLE.*'s position at #1 on the Hot 100 Breakers chart indicates that its support could be at a tipping point that pushes it to commercial should Universal be willing to take it there – though attempts at a daytime-friendly clean edit might run into some issues with the cheeky “hol’ up, lil bitch” hook in the chorus.

NEW SINGLE SPOTLIGHT

BLOSSOM

Milky Chance | NEON/UMA

Multi-platinum selling German duo Milky Chance, comprised of former schoolmates Clemens Rehbein and Philipp Dausch, have kicked off 2017 in a massive way!

The guys have gone from strength to strength, securing #12 on this year's triple j Hottest 100 with their platinum-certified 2016 smash single *Cocoon*. They will be arriving as part of the Groovin' The Moo Tour, which is returning for its 13th year this April/May, and will play a stack of sidoshows, their biggest venues to date in Australian capital cities. They released their sophomore album, which debuted at #8 on the ARIA charts, and now they will be servicing their new single, the title track off their album *Blossom*.

Blossom follows the band's first single *Cocoon*, which has gone on to be certified Platinum in Australia, with over 50 million streams on Spotify and 10 million YouTube video views since November.

NEW SINGLE SPOTLIGHT

HEY, DID I DO YOU WRONG?

San Cisco | MGM

San Cisco return with the latest single off their hotly anticipated forthcoming third LP, *The Water*. *Hey, Did I Do You Wrong?* is a laidback, highly infectious track which invokes summer afternoons by the beach in the four-piece's home town of Fremantle.

The music video for *Hey, Did I Do You Wrong?* was released globally on Friday March 31 and has thus far amassed over 55,000 views.

Their national tour for *The Water* was just recently announced. The group will be touring with Thelma Plum nationally, playing 20 dates throughout May and June. They were also recently announced as a headliner for triple j's One Night Stand.

OVERVIEW

Debuting atop the Hot 100 Alternative this chart is local favourite Meg Mac and her new single *Low Blows*. Now her third #1 single on the chart, it follows the success of 2015's *Never Be* and 2014's *Roll Up Your Sleeves*. The track's entry at #1 follows some solid love from triple j – it was added to the days rotation this time last week. The national youth radio network have *Low Blows* currently at #4 on their most recent Spins Chart.

Gretta Ray shares in the Hot 100 Alternative success this week with *Towers* now at a new peak of #2 from #8. It also sits firmly at #1 on the triple j Hit list and takes #3 on their Spins Chart. San Cisco's shimmering new cut *Hey, Did I Do You Wrong* also enjoys a stellar first week at radio, debuting at #4 and scoring a triple j days rotation add.
