## #1 HOT 100

### SOMETHING JUST LIKE THIS

The Chainsmokers & Coldplay | SME

It's accolade after accolade for Luis Fonsi & Daddy Yankee's *Despacito (Remix)* ft. Justin Bieber. Now at #3 from #7 on its third week in the chart, it can't get much better for this bona fide crossover hit. Not to say that a #1 isn't impossible – but it's got plenty of heavyweight competition to get through.

Interestingly, Ed Sheeran's *Galway Girl* has seen a slight resurgence in audience, being propped back up at #4 from #8. Currently the last single from – left in the Top 20, it's likely the news and hype surrounding his Australian tour has had a hand in this push.

Miley cracks the Top 10 at #7 with *Malibu*, following its successful second week at radio, while Selena Gomez makes a grand entrance at #17 with *Bad Liar*. Speaking of which...

## #1 MOST ADDED TO RADIO

### BAD LIAR

Selena Gomez | UMA

Taking #1 this week – in a minor upset, outpacing the debut single from Liam Payne – is Selena Gomez's new hit *Bad Liar*. With adds to every major player in commercial radio, it just managed to pull ahead of Payne's *Strip That Down*, with a difference of five additions between them.

Camila Cabello's debut single *Crying In The Club* wasn't too far behind either at #3. The main thing missing for her was the initial add from the Nova network, though she absolutely cleaned up everywhere else.

## #1 NEW SINGLE RELEASE

### REAPER

Sia | INERTIA

Sia leads the charge to commercial radio next week among a host of other standout releases. Her track *Reaper*, co-written by Kanye West, was originally intended for Rihanna's *Anti*. The track, released last year as a part of Sia's album *This Is Acting*, has already amassed 43 million streams on Spotify alone.

Sia's out ahead of Martin Garrix's head-turning new cut *There For You* ft. Troye Sivan. A powerful team-up, it could give Sia a run for her money while also competing with Zara Larsson's new single *Don't Let Me Be Yours*, co-written by Ed Sheeran. A new push for MØ's *Nights With You* and a service for Sigrid's anthemic *Don't Kill My Vibe* are both worth looking out for.

## RADIO WRAP

On top of her appearance in the Most Added chart, Meg Mac also shows up at #1 on the latest Hot 100 Heatseekers chart; *Low Blows* hit #75 from #99, a total of 24 places. Sydney singer-songwriter Sloan Peterson also enjoys a big week, climbing atop the Hot 100 Breakers chart with *105*.

The commercial heavyweights seem divided this week on the Spins Charts. Hit have jumped back behind Clean Bandit's *Symphony* ft. Zara Larsson, while KIIS remain stalwart with the Hot 100 #1 *Something Just Like This* by The Chainsmokers & Coldplay. Nova have put all their weight behind Luis Fonsi & Daddy Yankee's *Despacito (Remix)* ft. Justin Bieber, tallying up more than 130 spins for the Latin crossover hit.

## ONES TO WATCH

After winning Eurovision with Amar Pelos Dois, Salvador Sobral also won the Spotify Viral chart last week, racing to #1 in Australia (and several other countries, as well as the overall global chart). DJ Khaled's *I'm The One* ft. Justin Bieber, Chance The Rapper, Quavo & Lil Wayne is still dominating the Shazam Future Hits chart, though it's only eligible for that chart for another week.

Unsurprisingly, Liam Payne's debut single *Strip That Down* ft. Quavo has shot up the Shazam charts in its first week out, landing it at #1 on the Shazam Movers chart. This week's Most Added, Selena Gomez' *Bad Liar*, takes the #2 while Jonas Blue cracks #3 with *Mama*. Although serviced a few weeks back, Jonas Blue's *Mama* saw plenty of new traction last week including moves to ATB for the Nova Network and 2DayFM, likely helping spur this surge.

Playboi Carti still reigns supreme on the Pandora Trendsetters but some interesting movement does take place further down in the Top 10, with newcomers Midland hitting #8. The country trio may be new to the scene, but since the release of their breakout single *Drinkin' Problem*, they've already won over a lot of fans – including, apparently, Rolling Stone. In an article titled 'How Country Trio Midland Are Bridging the Country-Pop Divide', the magazine said the Texas natives have "the potential to unite traditional and pop-leaning fans of country music." Lately, Midland have been averaging around 3,000 weekly artist station adds, jumping up this week by almost 20%. Over the past 30 days, Midland have averaged 83 Twitter mentions daily – more than 50 times what we'd expect from an account with their reach.

## NEW SINGLE SPOTLIGHT

### INTO THE WIND

Josh Pyke | MUSHROOM

With five acclaimed top 10 albums, four ARIA Awards and countless sold out tours to his name, Josh Pyke has announced the release of his *Best Of, B-Sides & Rarities* album on Friday 30 June through Ivy League Records, to be followed by a *Best Of* national headline tour throughout July and August. The *Best Of* will be accompanied by the release of *Memories & Dust* on vinyl for the first time.

Launching the album is the video for new single *Into The Wind*, a stunning new song co-written at his home studio with Dustin Tebbutt, and co-produced by John Castle. As if taking him right back to the beginning of his career, the track serves as a note to himself to keep at it and never stand still.

## OVERVIEW

Plenty of notable movement on the Aus and Indie charts this week. First and foremost is Winston Surfshirt's *Ali D* now sitting pretty at #1 on the Hot 100 Alternative chart. The Australian buzz act first did the rounds with debut single *Be About You*, which is now north of 2 million plays on Spotify alone. With the hype surrounding their national tour ramping up, it will only get better for the group's soulful new single.

Methyl Ethel's *Drink Wine* has ended Bliss N Eso's five-week run at #1 with *Moments* ft. Gavin James. Taken from their recent album *Everything Is Forgotten*, it marks the track's second #1 following their #1 on the Hot 100 Alternative chart three weeks ago. In fact, this album has given them their most successful run of singles to date, most notably with *No.28*, *Ubu* and the aforementioned *Drink Wine*. *Ubu* peaked as high as #2 on the Hot 100 Alternative chart while *No.28* finished at #11.
