## #1 HOT 100

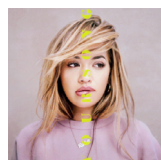

### I'M THE ONE

DJ Khaled ft. Justin Bieber, Quavo, Chance The Rapper & Lil Wayne | SME

After holding out at #2 for two weeks, DJ Khaled's *I'm The One* is finally the #1 (we definitely haven't been waiting five excruciating weeks to make that joke). The track, with its quartet of massive guest names, ended the five-week stranglehold that The Chainsmokers & Coldplay have had on #1.

Luis Fonsi and Daddy Yankee keep setting new PBs each week with the *Despacito* remix now at #2 from #3. Serial guest Bieber, who's largely responsible for the success of the hit rework, now features on the two top spots of the Hot 100. The last time he cracked #1 was on Major Lazer's *Cold Water* as a feature alongside MØ in late 2016.

Just making the Top 10 on its second week in the chart is Liam Payne's *Strip That Down* ft. Quavo. Now at #10 from #24, it marks the second solo effort of a 1D member to make the Top 10 this week. The other is Niall Horan's second solo single *Slow Hands* which currently sits at #7.

## #1 MOST ADDED TO RADIO

### YOUR SONG

Rita Ora | WMA

The race for Most Added was contested by two standout players last week. As Rita Ora prepares to release her latest album, the first offering *Your Song* eventually pipped Martin Garrix and Troye Sivan's *There For You*.

Written by Ed Sheeran and Steve Mac, *Your Song* was picked up across the board by all major Australian radio networks. Despite *There For You* being added to 40 more stations (148 overall), the weight of various Hit stations and the Nova network was enough to push *Your Song* over the line.

Last week's #1 New Single Release, Sia's *Reaper*, also did well at radio this week. However, its progress was stunted by the fact that many commercial stations added the track to their playlists last year.

## MOST ADDED

Additions weighted with audience data

1	<b>YOUR SONG</b> Rita Ora   WMA
2	<b>THERE FOR YOU</b> Martin Garrix   SME
3	<b>DON'T LET ME BE YOURS</b> Zara Larsson   SME
4	<b>REAPER</b> Sia   INERTIA
5	<b>BODY LIKE A BACK ROAD</b> Sam Hunt   UMA

## #1 NEW SINGLE RELEASE

### FAKE MAGIC

Peking Duk ft. AlunaGeorge | SME

Peking Duk have done it again. With a groove that creeps into your brain and a stellar international feature from AlunaGeorge, *Fake Magic* is a step ahead of the pack hitting radio this week. *Stranger* ft. Elephant has seen a myriad of success, clocking over 25 million streams on Spotify, while almost getting another million on YouTube. Locally, the track peaked at #5 on the Hot 100 while earning #1's on the Dance, Alternative and Australian TMN charts.

Not to take away from the other solid hits due out, though – commercial radio is truly spoiled for choice. The latest from Lorde, Samantha Jade, Duke Dumont and Fifth Harmony will be jostling for MDs' attention (and their additions) – and will hopefully see more than two Aussie acts hovering in the singles charts again

## RADIO WRAP

The debut solo single from Camila Cabello, *Crying In The Club* is the #1 Hot 100 Heatseeker week, further cementing the great start she's had as a lead artist. A move of 48 positions, it's tailed in the chart by both Tove Styrke and Meg Mac with *Say My Name* and *Low Blows* respectively. Both tracks have seen continued traction at radio – especially Meg, with *Low Blows* now at a new peak of #60 on the Hot 100.

The latest serving from Amy Shark, *Drive You Mad*, sits atop the Hot 100 Breakers this week. With *Adore* peaking at #13 and *Weekends* getting as high as #21, could *Drive You Mad* be her third single to crack the Hot 100?

## “ ONES TO WATCH

Despite being released a little over two weeks ago, Liam Payne's *Strip That Down* has (unsurprisingly) taken first place on the Spotify Viral chart, as well as securing the #1 spot on the Shazam Movers chart for the second week in a row. Definitely a solid start for the (former?) 1D member's fledgling solo career.

Following the trend of newly solo artists, former Fifth Harmony member Camila Cabello has seen some success following the release of her debut single *Crying In The Club*, which has climbed to #2 on the Spotify Viral chart, and as a result is #3 on the Shazam Movers chart.

DJ Khaled's *I'm The One* ft. Justin Bieber, Chance The Rapper, Quavo & Lil Wayne is still dominating the Shazam Future Hits chart, but is expected to drop really soon.

### NEW SINGLE SPOTLIGHT

#### REAL LIFE

Duke Dumont ft. Gorgon City | EMI

Duke Dumont is no stranger to Australian airwaves. His last single *Ocean Drive* reached #1 on the Hot 100 airplay chart, the top 5 of the ARIA chart and sold three times Platinum! This is in addition to his previous radio hits and UK #1 records *Need U (100%)* featuring A\*M\*E and *I Got U* featuring Jax Jones. Now the British DJ and producer has teamed up with Gorgon City for *Real Life*.

An uplifting house track, *Real Life* features Australian duo NAATIONS, made up of Nicky Night Time (Van She) and Nat Dunn. Duke Dumont has amassed over 1 billion combined streams across his release history to date, and together, Duke Dumont and Gorgon City have sold 4.5 million singles between them. Stay tuned for a Duke Dumont Australian tour announcement.

## OVERVIEW

Topping the Hot 100 Alternative chart following two weeks of support from triple j and alternative radio at large, Tove Styrke scores her first #1 with *Say My Name*. She's fighting it out in the big leagues – Vince Staples' hyped new track *Big Fish* is close behind at #2 from #17 – but ought to be safe for now, especially considering that she is also #1 on the triple j Hit List.

It's a new first for Illy as well this week, as *Oh My ft. Jenna McDougall* tops the Hot 100 Australian chart from #2. Also at #27 on the Hot 100, it's not far off matching his previous Hot 100 peak of #12 with *Catch 22 ft. Anne-Marie*.

### NEW SINGLE SPOTLIGHT

#### REDBONE

Childish Gambino | MUSHROOM

Childish Gambino's lead single *Redbone*, off of his #1 R&B debut album *Awaken, My Love!* (out now through Liberator Music/Glassnote Records) is officially certified GOLD in Australia (ARIA) and GOLD in the United States (RIAA).

As Childish Gambino once again sheds his skin, *Awaken, My Love!* is a sonic evolution. It has been described as "R&B meets Pink Floyd," by one journalist while others have cited an amalgam of rock, funk, and soul influences. Earmarked as one of the year's most seminal albums on an array of year-end lists, *Awaken, My Love!* has been praised by fellow musicians such as George Clinton,

### ULTRALIFE

*Oh Wonder*

DEW/UMA

Soon to be visiting our shores for Splendour In The Grass Festival and a run of sold-out side shows, *Oh Wonder* have had quite the start to 2017. Their shimmering lead single *Ultralife* from the album of the same name (due mid July) has been running rampant on streaming services globally.
