#1 HOT 100

DESPACITO (REMIX)

Luis Fonsi & Daddy Yankee ft. Justin Bieber | UMA

Niall Horan makes a move up the Top 10 this week on TMN's Hot 100 with 'Slow Hands' landing at #2 from #7, boosted by his recent Australian promo visit.

After flirting on the fringes of the Top 10 for the past few weeks, Jonas Blue's 'Mama' finally breaks the barrier at #10, a peak position for the track. It's the DJ's highest Hot 100 position since 'Perfect Strangers' hit #5 in September 2016.

'Versace On The Floor (Remix)', originally off Bruno Mars' *24K Magic*, has enjoyed a somewhat belated bullet-ride to the top as a result of Guetta's delicate touch. It rose 81 places to reach #16 from #97 – an unprecedented rise in the Hot 100 chart's history.

#1 MOST ADDED TO RADIO

SUN COMES UP

Rudimental ft. James Arthur | ATL/WMA

July's survey break made for an unusual week at radio. Among the five Most Added singles this week, two have previously appeared on the list (Jessica Mauboy's 'Fallin' and Hailee Steinfeld's 'Most Girls').

Rudimental's 'Sun Comes Up', featuring British singer James Arthur, was radio's top pick, seeing adds from 108 stations. It was playlisted to the Hit regional network and ACE Radio network, and was the only track added across the board by the Nova network.

After being crowned the winner of The Voice Australia last Sunday, Judah Kelly's single 'Count On Me' instantly got the attention of radio MDs.

#1 NEW SINGLE RELEASE

PRAYING

Kesha | SME

While still embroiled in a lengthy legal saga with former producer Dr. Luke, Kesha reclaims her place in the music world with a powerful new song, 'Praying' — the initial advance track from *RAINBOW*, her first album in nearly five years.

The Tennessee-raised star hit #1 on the Hot 100 for the first time in 2010 with breakthrough single 'Tik-Tok', where it stayed put for five consecutive weeks.

Her new musical direction on 'Praying' signals the beginning of a new chapter, with the track set to demand the highest level of respect across Australian radio.

RADIO WRAP

As mentioned, there was no stopping Bruno Mars' Versace On The Floor (Remix) this week. Rising 81 spots, the Guetta rework had no trouble securing the Heatseeker title.

Another notable mover is Jessica Mauboy's 'Fallin'. Serviced to radio a few weeks ago, the track has been widely adopted since then, reflected on the Hot 100 chart at #22

It's business as usual across the commercial spins charts, the only change being KIIS' newfound preference for Luis Fonsi & Daddy Yankee's 'Despacito (Remix)' ft. Justin Bieber over Shawn Mendes' 'There's Nothing Holdin' Me Back', which falls to #2.

NEW SINGLE SPOTLIGHT

PRECIOUS

British India | MUSHROOM

The release of British India's new single 'Precious' comes at a revolutionary time for the band. For the first time in a remarkable six-album career, the four-piece have teamed up with an external producer, exploring visceral new dimensions and intensity in their songwriting.

The reimagined sound prevalent on 'Precious' has been produced by Holy Holy's Oscar Dawson and features backing vocals from fellow indie rocker Ali Barter. The track vaunts distorted guitars ready to knock your walls down, its full bodied noise accelerated through wild, tight drumming. Declan's definitive vocal echoes with strength amongst the chaos, as he expresses the tragic beauty of momentary bliss.

NEW SINGLE SPOTLIGHT

GIANTS

Sarah McLeod | IND

An anthem built to the scale of its title, 'Giants' explores the drama and damage of anger. "We can all be giants, products of modern science, every now and then," Sarah sings as roaring guitars and pounding drums set the stage for this relatable tale.

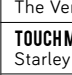

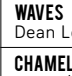

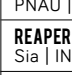

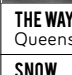

"Through your own pain, you put up walls and make mistakes in that frame of mine and have the intention to hurt people because you're angry," explains Sarah. "You're the inflamed version."

The multiple-award winning artist also wrote the treatment for the animated video to 'Giants.'

HORSES

Teddy Cream & Szabo | HUS/UMA

To say Teddy Cream are on a roll is a huge understatement. The Melbourne duo of Brandon Mangion and Vince Cali are about to head off on their fifth UK and European tour and have now unveiled their latest single, a tropical house collab with Reese Szabo that is a rework of the classic song 'Horses'.

Originally written and recorded by Rickie Lee Jones, but of course made into an Aussie classic by Daryl Braithwaite, Tessa Cream and Szabo's version has got the official seal of approval from Dazza himself!

'Horses' debuted at #10 on the Australian iTunes chart.

Lady Don't Tek No | Quannum Projects

Toyota Kluger TVC

Saatchi & Saatchi/ Level Two (Creative Agency)

Gaga Music (Publisher)

'Lady Don't Tek No' is a really sexy sultry track and works perfectly with the vibe and characters of the spot for the most part until suddenly the glare from a pre-teen out the back of the car brings the hilarity and twist to the TVC. This juxtaposition between sultry track and plot twist through the TVC work perfectly to bring all of the Toyota ad elements together.

LES SINS

Bother | Mistletoe

Red Nissan X-Trail TVC

TBWA | Level Two (Creative Agency)

Kobalt (Publisher)

Bother is subtly played through the TVC acting as the perfect distraction and all consuming hypnotic beat carrying one of the protagonists into the street unawares of an approaching Nissan. As such, the track has to be compelling and leave the listener in a trance! With its electronic beat and complimenting lyric "don't bother me, I'm workin'," the track was perfect for this spot!
